

Figure 10 is a technical drawing showing a detail of the upper part of a specimen. It illustrates the upper punch, the specimen, and the lower punch. The drawing includes two dimension lines with arrows indicating measurements. The first dimension is .265 inches [6.73] mm, representing the height of the upper punch. The second dimension is .139 inches [3.53] mm, representing the height of the specimen. The drawing is a cross-section view, showing the internal structure of the specimen and the punches.
