Blank Self-Laminating Write-On Wire Marker Card

Made of B-292 matte vinyl, our SLF, SLFW and SLHW series wire markers feature a clear overlaminate for added durability. Labels are resistant to oil, water and mild solvents and easily conform to most surfaces. Labels are ideal for machine tools, flat ribbon and general wire marking. Available in black or white. Cardmounted wire markers are sold as individual characters, consecutive numbers and blank write-on labels.
