### About EDAC

EDAC is a Canadian success story. Established in 1966, Edac became a world leader in the Card Edge and Rack & Panel industry. Many of our legacy designs are still in use today though over the years, we've expanded our line to include one of the widest ranges of interconnect solutions in the world.

Headquartered in Markham, Ontario, Canada, EDAC now has design and customer service centers worldwide, manufacturing facilities in China, and customer logistics centers in Canada, United States, UK, Taiwan and Hong Kong.
