- › DIN rail terminal blocks
- › PCB terminal block & connectors
- › Interface technology
- › Network / PLC and I/O systems
- › Building automation - gesis electronic
- › Safety technology - safety
- › **Pluggable electrical installation system - gesis®**
- › **gesis®: for buildings (IPX0)**
- › **gesis® CON: Power connectors**
- › GST18i3: Main power supply, 3 pole, black or white coding
- › GST18i3: Main power supply, 3 pole, pebble grey or tomato red coding
- › GST18i3: Main power supply, 3 pole, salmon red coding
- › GST18i3: Main power supply, 3 pole, salmon red coding, 5 kV ignition voltages
- › GST18i3: Switching applications (without ground), 3 pole, brown coding
- › GST18i3: 3 pole with PE, may green coding
- › GST18i3: 3 pole without PE, turquoise blue coding
- › GST18i4: Main power supply, 4 pole, black or white coding
- › GST18i4: Main power supply, 4 pole, pebble grey or tomato red coding
- › GST18i4: 4 pole without PE, may green coding
- › GST18i4: 4 pole without PE, turquoise blue coding
- › **GST18i5: Main power supply, 5 pole, black or white coding**
- › Device connectors
- › Connectors
- › Distribution units
- › Cable assemblies
- › GST18i5: Main power supply, 5 pole, pebble grey or tomato red coding
- › GST18i5: Main power supply/ Dimming, 5 pole, pastel blue coding
- › GST18i5: 5 pole without PE, may green coding
- › GST18i5: 5 pole without PE, turquoise blue coding
- › GST18i5: 50V, 5 pole, light blue coding
- › GST18i6: Main power supply/emergency power/dimming, 6 pole, pastel blue coding
- › GST® distribution boxes, sample kits and other accessories
- › gesis® CON: Bus/signal connectors
- › gesis® CON: Main power supply + bus/signal compact connector
- › gesis® CON: Low-voltage connectors
- › gesis® MINI: Miniature connectors
- › gesis® MICRO: LED connectors
- › gesis® Flat cable systems
- › gesis® TOP
- › gesis® LINECT
- › ST18
- › gesis®: in raised degree of protection (IP6X)
- › Industrial multipole connection - revos
- › Power bus system - podis

Female connector with strain relief
GST18i5S B1 ZR1 SW

Price On request ⓘ

Art.No. 92.953.4053.1

Connector GST18i5, 5 pole, female, flat version, screw connection, 250/400 V, 20 A, colour of coding: white, colour of housing: black

Quantity pieces
