

Product designation	Signal tower Ø70mm/2.75"
Product type designation	8LT7C - Connection modules

General characteristics

Diameter	mm - inch	70mm / 2.75"
Colour		Grey
Material		Polycarbonate
IEC degree of protection		IP65

Mechanical features

Tightening torque for terminals max	Nm	0.5
Terminals screw		Screw clamp terminals
Conductor section		
AWG/Kcmil	max	16
IEC	max	mm ² 1.5
Weight	g	110

Ambient conditions

Temperature	Operating temperature			
		min	°C	-20
		max	°C	+50

Dimensions

Wiring diagrams

Certifications and compliance

Compliance	CSA C22.2 n°14
	IEC/EN 60947-1
	IEC/EN 60947-5-1
	UL508

Certificates

	cULus
	EAC

ETIM classification

ETIM 8.0	EC001152 - Connection module for signal tower
