I/O module

Product Description

INTERBUS Loop digital input/output modules

The digital INTERBUS Loop input/output modules with IP65 protection make it possible to connect digital sensors and actuators to the INTERBUS Loop via M12 connectors.

The modules are coupled to the INTERBUS Loop by means of a new insulation displacement connection system without connectors.

Key Commercial Data

Packing unit	1 STK
GTIN	 4 017918 154431
