

WireHider® Latching Duct Raceway

The WireHider® Latching Duct Raceway System is an economical alternative to many two-piece solutions. It is designed with a flexible living hinge allowing for multiple adds/moves/changes as your wiring requirements change. This Latching Duct system is compatible with the accessory components of the two-piece WireHider® System. It comes complete with a solvent based adhesive tape on the back for secure adhesion to the wall. It is easy to install, and it eliminates the need to stock both channel and cover lids as required by most two-piece systems.

- Economical one-piece latching system
- Flexible living hinge
- Compatible with WireHider® accessories
- Constructed of UL94V-0 flame retardant PVC
- Built with UV Stabilizer to prevent color fading
- Latex paintable PVC surface
- Solvent based adhesive tape for secure installation
