Product image

Clip-on RS 30. 31. 32 relay bases are available in widths from 11.2 to 25 mm, depending on the type.

The RSM relay multiplexers are available as 4, 8 and 16-way modules. To reduce the wiring work, the DC variants are fitted with a common plus or minus potential. The optional IEC603-1 plug-in connector enables the connection of pre-assembled lines.

The screw connection system is used to connect the conductor with a rated cross-section of 2.5 mm².

General ordering data

Type	SRC CLIP HM
Order No.	8692620000
Version	RIDERSERIES RCI, Retaining clip
GTIN (EAN)	4032248364169
Qty.	100 pc(s).
