

For the attachment of

Description	Dimensions	Order No.	Packs of
Mounting kit for fans: Flat csk-screw ISO 7046-1-4.8-Z-A2K Hex nut ISO 4032-8 Serrated washer DIN 6798-A-Fst-A2K		3685.197	1 set
Mounting kit for covers: Mounting block		3685.256	24 sets
PCB holders (die-cast) to front panels, top - Covers box-type plug-in units type I/II - Contact/spring sections for 3-part front panels - Handles on front panels for box type plug-in units - Front panels to hinge strip		3685.282	100
Holder (horizontal assembly kit) to horizontal rail		3685.289	100
Holder (horizontal assembly kit) to horizontal rail		3685.290	100
Contact and spring sections on 3-part front panels without countersink		3686.916	100
Panhead posidrive screw DIN ISO 7046-4.8-Z-A2K		3686.917	100
Mounting kit for set back flanges: Panhead self-locking screw similar to DIN ISO 7045-8.8-Z-A2K Hex nut ISO 4032-8 Washer		3687.015	4 sets
Set back flanges to side panels	M4 x 8		
Fastening the threaded inserts in horizontal rails - EMC front panels to horizontal rails - EMC trim frame to conceal the front sections of the horizontal mounting kit	M4		
EMC front panels to horizontal rails	4.3		
EMC front panels to horizontal rails	M2.5 x 8	3687.020	100
EMC front panels to horizontal rails	M2.5 x 11	3687.050	100
Subracks into racks	M2.5 x 11	3687.051	100
Subracks into racks	M2.5 x 11	3688.709	100
Subracks into racks	M2.5 x 11	2089.000	100
Subracks at the profiles of racks	M6 x 16	7094.600	100
Subracks at the profiles of racks	M6 x 16	2094.200	50
Front panels and rear panels to horizontal rails	M6	2092.200	50
Cage nut M6 0,8-2,0 without electrical contact	M6		
Collar screw, cheese-head, slotted	M2.5 x 11	3685.097	100
Mounting kit for type VVI handles: Panhead posidrive screw ISO 7045-4.8-Z-A2K Bracket Square nut DIN 562-1H-A2K		3687.146	1 set
Type VVI handles (aluminium) to front panels	M2.5 x 6		
Square nut DIN 562-1H-A2K	M2.5
