

Not available anymore - alternative: G4 in size 1

Basic information

|             |                     |
|-------------|---------------------|
| Part number | GE1M08-P06QF00-0000 |
| Category    | Connector           |

Mechanical and environmental data

|                            |        |
|----------------------------|--------|
| Max. operating temperature | 120 °C |
| Min. operating temperature | 50 °C  |
